

Trochu Valley School Spring Fundraiser

Dear TroVal Families:

One of our goals at Trochu Valley School is to bring many academic and extracurricular opportunities to our students. Each year our fundraisers have helped us to provide those different opportunities for our students. This year, as we turn our calendars and minds to Spring, Trochu Valley School will be selling seeds through the Canadian company, Make It Sow!

We will be selling seeds from **February 1st until February 28th.**

All orders and payments will be completed online. A copy of the seed brochure will be available online only, there are no printed copies. Once our sale is done, we will let you know when the expected delivery date will be. The entire delivery will be shipped to the school for us to distribute to parents. Please share this info with your friends and family.

Here are the step by step instructions on how to purchase seeds:

1. Go to <https://makeitsow.com/shop/#code-submission>
2. Copy and Paste this code [Trochu_Valley_School_2022](#) into the “Group Code You Were Supplied” box, then hit the “Submit Code” button
3. Now you can add whichever products you would like to purchase to your shopping cart.
4. Once you have all the wanted items in your cart, you can select the shopping cart, and either “View Cart” or “Checkout”
5. Once you are in the “Checkout” section, you can enter your information. You can also enter a student’s name on the right, so that your order can be attached to one of our students. The credit card payment info is at the bottom of this screen. Once you have entered all the needed info here, you can hit “Place Order”, and then you are done.

What better way to prepare for Spring than by purchasing some seeds from your local school!!! We thank you for your support!
