The Grade 12s begin planning their graduation in the Fall by participating in different planning committees. The committees bring their ideas back to the grad class for feedback and consensus. The typical committees are:

- SWAG-usually a hoodie
- Decorating
- Invitations
- SlideShow/Video
- Ceremony/Exercises
- Banquet

Each year we aim to fundraise approximately \$4000.00 for graduation, and we do this through a few key opportunities:

- Grade 11 Help with Graduation (Banquet Servers/Cleanup, Set Up Hall for Ceremonies, Take Down After Ceremonies) [Saturday May 25th \(completed already\)](#)
- Cruise Weekend Drag Races [Sunday June 2 \(completed already\)](#)
- Bottle Drive ([date to be determined- likely Jan/Feb](#))

These fundraisers typically provide enough revenue to raise all of the money needed for graduation.

Our first parent meeting will be on Tuesday, November 26th at 7 pm at the Trochu School in Mrs. V's classroom.
